Citizens Present

Mr. Wayne Horvatin of 10 Charles is here to complain about the curbs installed on Charles Street during the new paving. The old curbs were higher and the new ones are so low that every time it rains, the water just pours down into their property.

Ms. May Czura and her son are here on the same issue. She has come to the borough several times and requested this problem be corrected. After a discussion, President McKelvey informs them both that the contractor will be back to get the problem fixed by building up the curb there. They requested the yellow line be painted again where it was originally. President McKelvey said it will be done.

Mr. Dennis Krajewski complains about the high grass and weeds at 204 Maple.

Mr. Krajewski questions why the trucks are still up there at top of the hill. President McKelvey explains that that property is in bankruptcy.

Mr. Krajewski states Mr. Hoagie property where West Penn Trailer is needs to the fence to be covered up; that is an eyesore with those vehicles inside there; the fence needs to be covered up like the ordinance says.

Mrs. Lana Urbansky questions Mrs. Honick why she hasn't responded to her request to have a copy of the tape from the meeting in May.

Mrs. Diane McKelvey states she is upset with all the high grass on properties in town; we need to do something else if they don't cut their grass or pay taxes. Atty. Gobel interjects if they are not paying their taxes, we can do a tax sale. Code Enforcement Officer should be issuing citations if they are not cutting grass. Mrs. McKelvey comments this used to be a nice community to live in but not now. A brief discussion follows.

Ms. Tusai comments there are other trick you can use that expedite getting them to clean up properties and cut the grass. Atty. Gobel explains how our hands are tied and how they system works.
